## **Corporate Responsibility and Sustainability Policy**

### **Vision**

We strive to create events for a better planet.

### **Principles**

Our business approach is guided by the principles of Leadership, Transparency, Integrity and Continuous Improvement.

### **Important Issues**

Corporate Responsibility is an essential part of Komarkcorp Berhad's business and culture. In order to deliver a sustainable value and improvements to society, the best practices have been employed in 4 keys pillars :

- 1) Environment
- 2) Community
- 3) Workplace
- 4) Marketplace

### **Our Abilities and Duties to Act**

1. We believe in using the Earth's resources wisely as we create compelling event experiences
2. We also believe we have the power to make a positive human impact on the diverse people we touch
3. Our attention to environmental, social and economic responsibility is important to us and our stakeholders, where a better quality of life for our employees, clients, event participants and suppliers could be built.

### **Objectives**

We commit to :

1. Minimize environmental impacts in the areas of waste, water, energy and air quality
2. Give back to communities by volunteering and donating resources
3. Ensure our supply chain has responsible social and environmental practices
4. Create innovative approaches to minimise negative environmental impacts, improve economic bottom lines and integrate the social elements in to delivering meetings

### **Reporting**

Management reviews will be conducted yearly.
